

## **PATIENT INFORMATION LEAFLET**

### **Practice Complaints Procedure**

If you have a complaint or concern about the service you have received from the Doctors or any of the staff working in this Practice, please let us know. We operate a Practice complaints procedure as part of an NHS system for dealing with complaints. Our complaints system meets national criteria.

### **How to Complain**

We hope that most problems can be sorted out easily and quickly, often at the time they arise and with the person concerned. If your problem cannot be sorted out in this way and you wish to make a complaint, we would like you to let us know as soon as possible – ideally within a matter of days or at most a few weeks- because this will enable us to establish what happened more easily. If it is not possible to do that, please let us have details of your complaint:

- Within 12 months of the incident that caused the problem; or
- Within 12 months of discovering that you have a problem.

Reception/Telephone complaints should be addressed to: Mrs Sue Connelly, Reception Manager. All other complaints should be addressed to Mrs Wendy Jennings, Practice Manager. Alternatively, you may ask for an appointment with Mrs Sue Connelly or Mrs Wendy Jennings in order to discuss your concerns. The complaints procedure will be explained to you and they will make sure that your concerns are dealt with promptly. It will be a great help if you are as specific as possible about your complaint.

Alternatively you may refer your complaint to our local primary care trust, details of which are given on the next page.

### **What we shall do**

We shall acknowledge your complaint within three working days and aim to have looked into your complaint as soon as possible. We will contact you to agree an appropriate timescale for providing you with a full, written response to your concerns. We shall then be in a position to offer you an explanation, or a meeting with the people involved. When we look into your complaint, we shall aim to:

- Find out what happened and what went wrong;
- Make it possible for you to discuss the problem with those concerned, if you would like this;
- Make sure you receive an apology, where this is appropriate;
- Identify what we can do to make sure that the problem doesn't happen again.

You may wish to contact the Independent Complaints Advocacy Service (ICAS) who can offer you help and assistance with making a complaint. The telephone number is 02476 697443.

## **Complaining on Behalf of Someone Else**

Please note that we keep strictly to the rules of medical confidentiality. If you are complaining on behalf of someone else, we have to know that you have their permission to do so. A note signed by the person concerned will be needed, unless they are incapable (because of disability/illness) of providing this.

## **NHS England**

At the practice we are always happy to meet with you to discuss any remaining concerns you may have. However, you may prefer such a meeting to be held through the conciliation process. The services of a lay conciliator are available through the complaints department at NHS Warwickshire, contact details as above.

## **Joint Working**

If your complaint concerns more than one organisation, we will need your consent to contact them so that we can work together to provide you with a co-ordinated response to your concerns
